Civic Literacy 101—Judicial System

Tuesday, March 10

6:30 pm to 8:30 pm

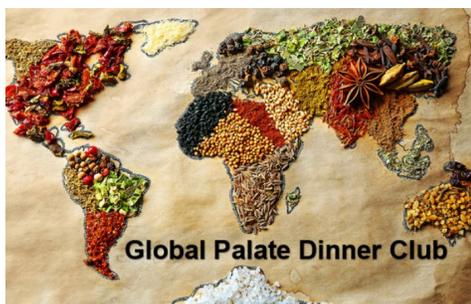

Roseville Library

Civics affects us every day, but its mechanics is often ignored or forgotten. Educating (or re-educating) yourself on the structure and rules of the government gives you the ability to become part of the decision-making process and create a positive impact on your government. Join us for the third part of this series which covers the Judicial Branch of our government.

The United States is renowned for having one of the most sophisticated judicial systems in the world. Everyday thousands of people, including law enforcement officers, lawyers, judges, and government officials take part in this system, hoping to settle disputes and work for justice.

This session will cover the basic structure of US Judicial System. It will cover the basic structure of our judicial system, who plays each role in the system and the duties and responsibilities of each. Join us to find out how to give power to your voice and enrich our democracy.

We are pleased to be presenting this program in partnership with the League of Women Voters Roseville Area.

Global Palate Dinner Club

Friday, March 6, 2020, 6:00 pm

Adelita's

**2405 Central Ave NE
Between 24th Ave and Lowry Ave., Mpls**

Adelita's Mexican Restaurant in NE Minneapolis offers fajitas, shrimp cocktail, burritos, enchiladas, tacos, seafood, grills and more! It is their chef's passion for our recipes to be of a higher level of Mexican cuisine. A combination of northern & southern Mexican recipes plus dishes from countries such as Ecuador.

RSVP by email or to Sherry, sanders363s@gmail.com, 651-772-3311.

Poverty Simulation for Faith Communities

Sunday, March 29, 2:00—4:30 pm

Prince of Peace Lutheran Church

2561 Victoria St. N. @ County Rd C, Roseville

Registration is REQUIRED*

This is the same Poverty Simulation we hosted last year, but this time it is being hosted by and for local faith communities. Even those who thought they understand poverty, said they were strongly affected by the simulation.

At the 2 hour simulation you will SPEND A *SIMULATED* MONTH in the poverty experienced by our community's individuals and families. The simulation is based on Community Action clients and their daily realities.

Poverty is a reality for many individuals and families. But unless you've experienced poverty, it's difficult to truly understand. The Community Action Poverty Simulation (CAPS) bridges that gap from misconception to understanding. CAPS is an interactive immersion experience. It sensitizes community participants to the realities of poverty.

CAPS is not a game. It is based on real Community Action clients and their lives. CAPS exists to:

◆ **Promote Poverty Awareness**

During the simulation, role-play a month in poverty and experience low-income families' lives.

◆ **Increase Understanding**

After the simulation, you will unpack your learning and brainstorm community change.

◆ **Inspire Local Change**

Together, you can be a voice to end poverty in your family, friends and community.

Space is limited! Registration is required. This year we want to encourage local faith communities to participate. For that reason, registration is open only to those associated with faith communities until March 15. After that registration is open to everyone. To register go to [DoGoodRoseville.com/Register-For-Events/](https://www.doGoodRoseville.com/Register-For-Events/) or email Kathy Ramundt at kramundt@hotmail.com or call 651-488-5061.

Many thanks to the following faith communities for partnering with us and providing volunteers for this important event:

- Prince of Peace Lutheran Church (host),
- Bethany Baptist Church
- Corpus Christi Catholic Church
- New Life Presbyterian

Sidewalk Talk — Information and Training for Listeners

Monday, April 6, 6:30 to 8:00 pm

Roseville Library

*****Listening Events to be announced. Stay tuned!! *****

Sidewalk Talk - The transformative power of listening from the heart

Research shows that being heard — really listened to with compassion and without judgment — reduces stress levels, calms anxiety, strengthens our ability to trust ourselves, and increases our capacity for meaningful connection. And when we practice listening — being genuinely open and fully present with another person without the need to "fix" or jump in with solutions — we cultivate empathy, ease loneliness, and begin to see common ground.

Sidewalk Talk is a community listening project that offers a space for these amazing things to occur. No catch, no angle, just wide open listening. We post our signs and set up our chairs and invite people to share what is in their hearts and on their minds. Learn more about this project, our experiences, and how connection through listening can lift up humanity.

Do Good Roseville will be bringing Sidewalk Talks to Roseville, and we need listeners! Come to this information session and training or you can become a volunteer by going to the Sidewalk Talk website and signing up (<https://donorbox.org/become-a-sidewalk-talk-member>). There is a minimum \$5.00 Sidewalk Talk member fee, but Do Good Roseville will pay the fee if that is a barrier. We want you to join us! Listening events are being planned for the libraries in Roseville and Maplewood, and we are looking for other opportunities. Let us know if you have ideas!
