

With all the big box stores and chains in Roseville, we want to create a list of locally owned businesses, starting with restaurants. The following list is based on online searches. *WE NEED YOUR HELP!!* If you find anything that is incorrect or missing - please let us know at [kramundt@hotmail.com](mailto:kramundt@hotmail.com).

We started by listing any restaurants we could find that had a Minnesota address. We identified those with more than one location. As the list evolves we can refine the definition of a locally owned business. We also want the list to identify minority-owned businesses. Please let us know if you know if others are minority owned.
