Roseville Area Community Foundation

Do Good Roseville (DGR) is dedicated to providing a safe-space environment at all events: we want to create a space where all people regardless of gender, sexual orientation, disability, physical appearance, race or religion are accepted and respected. Harassment is not tolerated. Harassment includes offensive verbal comments – related to gender, sexual orientation, disability, physical appearance, race, religion or otherwise – deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Parties asked to stop any harassing behavior are expected to comply immediately. We value the attendance of every individual at the DGR Juneteenth event and want everyone to feel safe throughout the duration of our event.

If you are being harassed, or notice that someone is participating in harassing behavior, please notify an event organizer wearing a green or yellow lanyard.
