As part of our Friends of Central Park initiative, we have 2 events coming!

## Tree Planting at Central Park Elementary

Wednesday, June 4

8:00 am to 12:00 pm OR 12:00 pm – 3:00 pm

OR all day 8:05 am to 3 pm

Central Park Elementary

535 County Rd B2 West

Central Park students are Learning With Trees this spring, and they'd love your help on Planting Day planting 25-30 trees donated by Tree Trust! Students will come outside with their classroom teachers to plant a tree together!

Volunteers are invited to help lead classes through the planting process. All tools and training will be provided, and Tree Trust staff will be on hand to supervise and assist. More information and volunteer sign-up here with password: sunnyday. For more information contact the school at (651)481-9951.

## Teacher Year-End Classroom Cleanup

Wednesday, June 11

8 am to 12 pm\*

Central Park Elementary

535 County Rd B2 West

We *really* need more volunteers to help teachers at CPE to bundle up their classrooms for the end of the year! Please let us know when you can help by signing up here.

Projects could include packing things away, helping teachers move items from one room to another, cover things up so their items are not used during summer programming, removing names from desks and other items, preparing supplies for the start of the school year, etc.

While there are 3 shifts listed, we really need the help on Wednesday, from 8-12 once students are gone. \*Not an early bird? Let us know what time you can arrive!

## Lunch Together Tuesdays

Every Tuesday beginning May 20  
11:30 am to 1:00 pm

Lions Shelter  
2527 Victoria St. N., Roseville

The rain and cold almost have us re-naming this as 'Lunch Alone Tuesdays', but we know that's going to change!

Tired of eating lunch alone - especially if you're a remote worker? Want to get to know some new people? Building on the success of our Wednesday Morning Park Chats, starting Tuesday, May 20, Do Good Roseville is partnering with the Roseville Parks and Recreation Department to host "Lunch Together Tuesdays"!

The idea is simple. When your schedule allows it, BYOL (Bring Your Own Lunch) and come join us at the Lions Park Shelter! Kathy will be there to greet you. Come whenever you want, stay as long as you want, eat, chat, or just enjoy the outdoors in the company of others, it's up to you! Since it's a shelter, we'll be there rain or shine.

FYI, if you park in the lot near the street, you have to walk up a slight hill to the shelter. At the back of the lot, there's a walking path.

## Stitching Help Needed

This project continues! Mary Ann from Roseville Senior House made hundreds of crocheted squares, and Do Good Roseville has offered to find volunteers to stitch them together to make blankets for Bundles of Love in New Brighton. Thanks to Gale, Sophie, Sandra, and Nancy we have 8 blankets completed.

before

after

We've got enough squares for 6 more blankets. If you want to be part of this project, I'd be happy to give you a set of 20 squares to stitch together (however you choose).

## Another good deed completed! Supportive Cards for School Staff

In May, Do Good Roseville helped support Pastor Marty Wyatt and Jill Lund of Roseville Lutheran when they led a project to write 450 cards of support for school teachers and staff at Title 1 Elementary Schools, Roseville Area Middle School, and Fairview Alternative High School. Each card included a bag tag and a key ring. Thank you to everyone who helped!

## Garden cleanup at Roseville Senior House

Sometimes it only takes one person to make a big difference! In this case, Heather Sexton stepped up and not only rented a rotary tiller, but actually did the work to help prepare garden space at Roseville Senior House. It was a big job, messy in more ways than one. Our heartfelt thanks to Heather for also purchasing tools to help with ongoing work. Thank you!

## Red Bin Collection Completed! Washable Yarn

Thank you to everyone who went through your yarn stashes and donated washable yarn for Bundles of Love for washable yarn.

if you missed the red bin, you can always donate directly to Bundles of Love.

## Building Community, One Meal at a Time!!

Our board member (and much, much more) Jeena Gurung Vomhof said it was time for us to host another meal at the Roseville Senior House to keep our community building momentum going, so Taco Saturday was created!

Something so simple, nonetheless takes a lot of time and effort! Kathy prepares announcements for residents, then Kathy and Jeena did the shopping, then Jeena's friends and family did the rest! Jeena's father did lots of veggie prep, her husband Andy did the cooking, her friends Joelle and Amber donated baked goods. Connie Joyce brought more treats, and was with us to setup, serve and chat with everyone.

Lunch was great and table were brighten by flowers from North Heights Pre-school.

Residents when home with Forever Flowers that Do Good Roseville volunteers made in April.

As the number of residents joining us grows with each event, we know our efforts to build community here are paying off! Thank you to everyone who helped make this happen!
