

# DO GOOD ROSEVILLE NEWSLETTER

Volume 8      Issue 8

December 27, 2025

From the beginning Do Good Roseville has valued immigrant neighbors and supported them in any way we can.

The Ask Series is a series of panel discussions that we hosted in 2017 and 2018. Sadly they are perhaps even more important now.

## The Ask Series

The series gives a voice to the underrepresented in our community by using personal stories from a diversity of life experiences

Many are related to the immigrant experience – Ask a Muslim Woman 1 & 2, Ask a Dreamer, Ask a Refugee, and Ask a Transracial Adoptive Parent. Each one of them helped change our worldview. To see the videos, click [here](#).

Thank you once again to Nyia Harris for building trusted relationships so that the panelists felt safe. Even more important, thank you to each of the panelists for sharing their truth so that we could learn from their experiences. ❤️❤️❤️

For that reason, we're going to continue making more of them! We need people to help fold and stuff whistles in bags, and also to help us cut up Know Your Rights cards.

Here are pictures from the first time we made kits. We made 400 kits in 2 hours!

Make cards to show you welcome and support our immigrant neighbors

Something we heard can be helpful is to make personal cards that can be given to our immigrant and refugee neighbors telling them they are welcome here and we support them. You can choose to give them to people directly or you can give them to Do Good Roseville to share with our community organizers on the front line of this work.

On our website we have some guidelines to help you get started: <https://dogoodroseville.com/immigrant-support/>.

If you want to have DGR distribute the cards, you can drop them off – anytime – at 1161 Laurie Road West. There will be a plastic bin the left side of the driveway.

## Roseville Cares 2026

**Saturday, Jan 31**  
**thru**  
**Sunday, Feb 8**

### **We make it easy to show you care!!!**

The Roseville Area is a community where caring actions happen all year long—whether it's helping a neighbor shovel their walk, volunteering to help a child read, or hosting a food drive. Roseville Cares is a community initiative that spotlights caring actions in our community and inspires others to "care it forward". It began in 2025 with Do Good Roseville and the Roseville Area Optimist Club promoting volunteer opportunities in the community. With 2026 we have expanded our planning committee to include other area service organizations and businesses.

We know most people truly want to do good, but finding the time and knowing where to start can be challenging. Roseville Cares Week makes it easier by offering simple, meaningful ways to get involved. It's a community effort designed to remove barriers and help everyone make a positive impact.

Life gets busy, and it's easy to say we'll volunteer "someday"—next week, next month, or when things finally slow down. Roseville Cares Week is a chance to hit pause on procrastination and join neighbors in doing something kind this week. Even a small act can make a big difference!

And once you're ready to jump in, the big question becomes: What should I do? Don't worry—we've got plenty of ideas! Choose from easy at-home projects, group activities, or opportunities with local organizations that are always happy to welcome new volunteers. It's a great place to get inspired and find something that feels just right.

This year, we are also making space for those who just do not have time to spare. You can do good by donating to our Roseville Cares Community Scholarship. No amount is too small :), because it's when we pool small amounts that big things happen.

Click on the underlined headings below to see the applicable list.

### **Organizations with Volunteer Opportunities**

We have a *great big* list of organizations that are looking for volunteers. They have all been part of one of our Volunteer Fairs. There *truly* is something for everyone! Use this week as a nudge to find your special cause. If you decide to volunteer, let us know what you choose!

### **Organizations to Make Meals**

If you have a small group of friends or family, a simple easy way to do good without a long-term commitment is to make a meal for an organization. We've got a long list of places where you can help. We'd love a picture!

### **Opportunities with Projects**

Find a project you'd like to do alone or with others. Many of these projects are card making projects you can do when you have time throughout the week, but others maybe more involved. Who doesn't want to help make someone's birthday special? Check our ideas!

### **Opportunities to Host a Collection**

We love to host collections! It's an easy way to involve your family, friends, neighbors, PTA, faith community or more! If you do a collection, send us a picture of your results!

## For those that don't have time...

Providing a scholarship is one way businesses, organizations, groups and individuals can signify caring for students. Join Do Good Roseville to fund Roseville Cares Community Scholarship(s).

You choose the amount of your tax deductible donation and we will work the Roseville Area Schools Scholarship Committee to create one or more scholarships for 2026 graduates. No amount is too small...or too big!

or send a check to

### Design Your Own Community Scholarship for Roseville Students

While endowed scholarships require a large amount of money upfront, it is possible to create one-time or recurring scholarships based on any budget.

Working with RAHS Career and College Center, you can easily create a scholarship that lines up with your interests and values. You can decide any or all of the elements that make up a scholarship, such as:

- Number and dollar amount of scholarships to offer per year
- Eligibility criterion & intended recipients
- Application requirements
- Selection process

**\*\*\* PLEASE NOTE THE DEADLINE FOR ALL SCHOLARSHIP DONATIONS  
IS SUNDAY, FEBRUARY 8**

## Thank you to all the Cooks and Bakers and Sponsors of the Roseville Senior House Holiday Party

The Roseville Seniors' holiday party shines brighter each year, all thanks to the kindness of 14 dedicated volunteers who cooked different hot dishes and baked delicious cookies and also to the wonderful volunteers who also came to make the event run smoothly.

We are thankful for all the kind donations of this year as Ville City Pizza Co donated 18 great pizzas, generous donations from the Stillwater Elks, M Health Fairview for donated food and drinks, Roseville Police Department for treats and your presence, Emmaus Lutheran Church for singing carols, Lions Club and Santa and Mrs. Claus for make the event special and other friends who made beautiful handmade cards and donated generously. Our hearts are full!

Why do we do it? One man who wasn't originally planning on coming but did said "The food is good, but what I came for is the positive energy in the room. Knowing people care about us means everything". Of course it was the food that brought us all together! You did that! With your help we can continue to carry that energy and caring throughout our community.

The Saturday after Thanksgiving, Barb and Joan and I spent a couple lovely hours making cards - and snowflakes - for Friends and Co's "Cards Connect" program at the library. A couple people, a couple of hours, and we'll bring smiles to many faces! Thanks Barb and Joan!

If you'd like to be a card creator you can sign-up here. They collect cards 4 times a year: <https://www.tfaforms.com/5137824>

Know a senior who would like to receive cards? They can sign-up or you can refer someone here: <https://friendsco.org/cards-connect/>
